

COVID-19:

Updated Child Health Clinic Procedures

Your Health Matters

Westfield Regional Health Department

425 East Broad Street, Westfield, NJ 07090

P. 908-789-4070

www.westfieldnj.gov/health

The Westfield Regional Health Department has implemented the following new guidelines to assist in protecting patients and their families as well as provide a safe workplace for our employees.

- Clinic appointments are limited to the patient and one parent or legal guardian.
- If English is not your primary language, one interpreter (age 18 or over) is required to attend the clinic.
- Patient, parent and interpreter (if needed) are **required to wear masks or face coverings at all times.**
- Temperatures will be checked of all patients and visitors using non-contact infrared thermometers at time of arrival. Any patient or visitor with a fever will not be seen for their well-child examination.
- Parent must call the clinic at 908-789-4070 ext. 4472 before entering the building in order for us to maintain appropriate social distancing. There will be no waiting in the hallways. Patient and family will wait outside until instructed to enter by the nurse.
- A rigorous cleaning and disinfection of all areas and instruments will be conducted between patient visits.

If you have any questions, please do not hesitate to call us.

As a reminder, this clinic is a **free clinic** and if your child is unable to keep his/her appointment, please call the Westfield Regional Health Department to advise us that you will not be at the clinic.
